PLAFKINS BANGIN BRENTWOOD BREAKFAST CRAWL™

START!

My dearest Plafky, happy birthday!

As your personal housing fairy, I'm very excited for you to begin 23 in your new snazzy Brentwood apartment. Goodbye noise pollution, hello fun pollution!

To get you through the all the moving chaos, I've crafted some fun eats so you can start enjoying your new hood asap rocky.

L'chaim to new adventures, fewer miles on the car, and me being less outnumbered for city hangs. This year, I'm hoping to get at least four (4) hugs from you. Amen.

Love you to pieces.
